

CURRENT SUMMARY

Director, Center for Heritage and Society, University of Massachusetts Amherst

President, ISCCL (International Scientific Committee on Cultural Landscapes) of ICOMOS (International Council on Monuments and Sites).

Professor, Department of Landscape Architecture and Regional Planning, University of Massachusetts Amherst.

Visiting Research Professor, Faculty of Environmental Sciences, Czech University of Life Sciences, Prague, Czech Republic.

International Policy (climate change, cultural landscapes)

ICOMOS (International Council on Monuments and Sites) *Fire Disaster Response Working Group*. (2022 -)

ICOMOS *Climate Change Heritage Working Group (CCHWG)*, member, tasked with revising the framework for response to climate change on World Heritage and other cultural sites worldwide (2018 -).

ICOMOS (International Council on Monuments and Sites) *International Scientific Committee on Cultural Landscapes (ISCCL)*, President (2023 – present) Secretary General (2020 - 2023) and expert member (2015 -).

World Universities Network (WUN) Chair, Understanding Cultures Working Group (2020 - 2021).

Warsaw International Framework on Loss and Damage, 2016 Executive Committee Meeting, invited member scientific advisory group member.

EXPERT WITNESS (court cases)

Massachusetts (public access liability)

Florida (development impacts to historic viewsheds)

Virginia (historic district zoning, visual quality impacts, historic viewsheds)

Colorado (valuation of casualty loss of trees)

New York (anti-big box development zoning)

RESEARCH (current)

The role of heritage in migration and displacement: includes a review of the role of cultural landscapes in trauma mitigation, and a case study of heritage impacts during the sea-level rise relocation of Newtok/Mertarvik, Alaska (Central Yup'ik) and Pecan Acres, Louisiana (Creole). Funding from World Universities Network and University of Massachusetts undergraduate research support.

The role of heritage and gardens for ontological security and trauma mitigation in refugee camps.

World Heritage Cultural Landscapes: 30 years after recognition in the World Heritage List, is a review of the current list of inscriptions to assess the application of their criteria. 2023 -

The Cultural Landscape of the Baroque palace at Valeč, is an ongoing project to document and analyze the cultural landscape of the palace and the 7 villages contained in the palace landscape. 2011 - ongoing
