EDUCATION

Ph.D.	2007	University of Minnesota, Geography; Graduate Minor in Development Studies and Social Change
M.A.	1999	Michigan State University, Philosophy
B.A.	1997	University of Washington, Women's Studies
B.A.	1997	University of Washington, Philosophy

EMPLOYMENT HISTORY (post-2007)

2021-Present	Research Director , School of Public Service, Boise State University
2022-Present	Professor , School of Public Service, Boise State University
2019-2022	Associate Professor , School of Public Service, Boise State University
2013-2019	Associate Professor , Department of Geography, York University
2007-2013	Assistant Professor , Department of Geography, York University
2008-2019	Faculty Affiliate , Centre for Refugee Studies, York University
2007-2014	Resident Fellow , York Centre for International and Security Studies, York University

RESEARCH AND PROFESSIONAL CONTRIBUTIONS

PUBLICATIONS UNDER REVIEW

1. **Lunstrum**, E., F. Masse, A. Dutta, E. Marijnen, I. Ashaba, T. Mushonga & F. Matose (under review) The need to demilitarize conservation and protected areas *Annals of the American Association of Geographers*. (submitted Dec. 2023)
2. Stevens, M., Lunstrum, E., Deerfoot, T. (under review) Research as Ceremony, Ceremony as Transformation. In Paneque-Gálvez, J, Ruggerio, CA, Rodríguez-Labajos, B (Eds). Transformative Knowledge Co-production and Social Learning in Struggles for Environmental Justice.

PUBLICATIONS IN PROCESS

1. E. **Lunstrum**, M. Stevens, H. Augare Carlson, and K. Paul. Bison Reintroduction and Rethinking National Park-Tribal Relations.
2. E. **Lunstrum**, R. Roth, and M. Goldman. The dual crisis of conservation: Biodiversity decline and conservation's dispossessions.
3. E. **Lunstrum**, D. DesRosier, M. Williamson, and M. Stevens. Jurisdictional fragmentation as an obstacle to bison reintroduction.
4. Goldman, M., R. Roth, and E. **Lunstrum**. Introduction a special issue on 'New Directions in Biodiversity Conservation' in *Frontiers in Conservation* (special issue co-edited by M. Goldman, R. Roth, and E. Lunstrum)
5. Brady, L. and E. **Lunstrum**. Introduction to *Projections of Power: State Authority, Local Resistance, and Environmental Change within Militarized Landscapes*, Leiden University Press (book co-edited by L. Brady and E. Lunstrum)
6. E. **Lunstrum** and L. Brady. Introduction to a special issue on 'Militarized Landscapes' in *Environment and Planning E: Nature and Space* (special issue co-edited by E. Lunstrum and L. Brady)

RESEARCH FUNDING

Major Research Funding

Camp Monaco Prize. Wildlife Restoration in the Greater Yellowstone Ecosystem –Overcoming Jurisdictional Fragmentation. \$100,000. PI Elizabeth Lunstrum , with co-PIs M. Stevens (Montana State University) and M. Williamson (Boise State University) and partner organizations Greater Yellowstone Coalition (GYC) and Idaho Conservation League (ICL).	Under Review (submitted Jan. 2025)
National Science Foundation Ethical and Responsible Research (ER2) - Project: Navigating Ethical and Responsible Co-Authorship with Indigenous Partners; \$400,000. PI Elizabeth Lunstrum , with co-PIs Kimberly Paul (Piikani Lodge Health Institute) and M. Stevens (Montana State University).	2024-2027
RIB-2 team (Pre-Proposal) for National Science Foundation Established Program to Stimulate Competitive Research (EPSCoR) – Project: Governance and Multisystemic Resilience at the Intersection of Population Growth and Climate Change. I led a team of 30+ colleagues across Boise State, University of Idaho, and Idaho State in drafting a Research Innovation Brief (RIB) as a bid and was a core team member of the RIB-2 pre-proposal team for the EPSCoR R-II Track-1 grant; ~\$20 million.	2021 / under review [I was involved in the pre-proposal]
National Science Foundation Human Environment and Geographical Sciences Program (NSF-HEGS) - Project: Indigenous-Led Ecological Restoration: Negotiating Colonial Structures , Award #2117652; \$414,000. PI Elizabeth Lunstrum , with co-PI M. Williamson. [ILER project website]	2021-2026
US Geological Survey/US Department of the Interior - Project: Research and Data Development to Improve USGS Gap Analysis Project; \$3 million. PI Monica Hubbard. I am a member of the GAP Research Advisory Committee.	2020-2025
SSHRC Partnership Grant , Social Sciences and Humanities Research Council of Canada - Project: Conservation as Reconciliation Partnership; CAD\$2.5 million. PI Robin Roth. I am a project collaborator.	2019-2026
SSHRC Insight Grant , Social Sciences and Humanities Research Council of Canada - Project: Canadian Conservation in Global Context: Intersections with Asia and Africa; CAD \$426,010. Joint project led by Robin Roth and Elizabeth Lunstrum .	2014-2019
Refugee Research Network (RRN) , York University - Project: Environmental Displacement; CAD\$36,000. PI Elizabeth Lunstrum .	2010-2016
SSHRC Aid to Research Workshops and Conferences , Social Sciences and Humanities Research Council of Canada - Project: Environmental Displacement in Global Context; CAD\$24,159. PI Elizabeth Lunstrum .	2012
SSHRC Standard Research Grant , Social Sciences and Humanities Research Council of Canada – Project: Reorganizing Borders, Reorganizing Mobility; CAD\$90,800. PI Elizabeth Lunstrum .	2010-2014

Fulbright Dissertation Fellowship , Fulbright Program, US Department of State; USD USD\$32,000. PI Elizabeth Lunstrum .	2004-2005
---	-----------

Foreign Language Area Studies (FLAS) Fellowship , US Department of Education, for study of Portuguese and Shona in Mozambique, Portugal, Brazil, Zimbabwe, and Minnesota; USD\$56,000 plus tuition and benefits.	2001-2004, 1988
---	--------------------

Minor Research Funding

SPS Research Committee , School of Public Service, Boise State University; \$5,180.	2024-25
--	---------

SPS Research Committee , School of Public Service, Boise State University; \$8,000.	2023-24
--	---------

SPS Research Committee , School of Public Service, Boise State University; \$6,000.	2021-22
--	---------

SPS Research Committee , School of Public Service, Boise State University; \$6,450.	2020-21
--	---------

LA&PS International Research Events Fund , Faculty of Liberal Arts and Professional Studies, York University; CAD\$3,000.	2015-16
--	---------

LA&PS Research Events Fund , Faculty of Liberal Arts and Professional Studies, York University; CAD\$1,000.	2015-16
--	---------

LA&PS Travel Grant , Faculty of Liberal Arts and Professional Studies, York University; CAD\$1,000.	2015
--	------

LA&PS Minor Research Grant , Faculty of Liberal Arts and Professional Studies, York University; CAD\$5,000.	2012
--	------

LA&PS Research Events Fund , Faculty of Liberal Arts and Professional Studies, York University; CAD\$800.	2012
--	------

LA&PS Research Events Fund , Faculty of Liberal Arts and Professional Studies, York University; CAD\$1,000.	2011
--	------

Faculty of Arts Research Grant , Faculty of Arts, York University; CAD\$2,264.	2009
---	------

Faculty of Arts Research Grant , Faculty of Arts, York University; CAD\$5,000.	2008
---	------

SSHRC Travel Grant , Social Sciences and Humanities Research Council of Canada; CAD\$1,200.	2008
--	------

MacArthur Dissertation Fellowship , The MacArthur Program on Global Change, Sustainability and Justice, University of Minnesota; \$6,000.	2005
--	------

Davis Memorial Fellowship , Department of Geography, University of Minnesota; \$12,000 + tuition & benefits (declined)	2004-05
---	---------

Graduate Research Partnership Program Fellowship , Graduate School, University of Minnesota; \$15,000.	2004, 2002
---	---------------

UNPUBLISHED RESEARCH CONTRIBUTIONS

Invited Papers and Presentations at Universities and Conferences:

- 2024.** New Trends in People-Park Relations: Blackfoot Buffalo Restoration and Glacier National Park [with M. Stevens, H. Augare Carlson, and K. Paul]. Osher Institute Seminar, Boise State University, March.
- 2024.** New Trends in People-Park Relations: Blackfoot Buffalo Restoration and Glacier National Park [with M. Stevens and H. Augare Carlson]. Society & Conservation Seminar Series, University of Montana, Missoula, March.
- 2023.** Environmental Displacement in the Anthropocene. Mobility in the Age of the Anthropocene Program, Goethe University, Frankfurt, August.
- 2023.** A Political Ecology of Jurisdiction [with Elizabeth Havice]. The Programme on Ecosystem Change and Society (PECS), Arizona State University, August.
- 2022.** The Political Ecology of International Borders. Human Environment Systems (HES) Seminar Series, HES Program, Boise State University, November.
- 2022.** The Dual Crisis of Conservation: Biodiversity Decline and Conservation's Disposessions. University of British Columbia Geography/IBioS Colloquium Series, October.
- 2022.** Indigenous-Led Ecological Restoration: Negotiating Colonial Structures with M. Williamson. Panel Discussion on New Models of Collaborative Research. Boise State University, April.
- 2022.** Rethinking Crisis in Crisis Conservation. Rough Cut Science Speaker Series, Montana Institute on Ecosystems [consortium of Montana Universities].
- 2021.** Canadian Parks Collective for Innovation and Leadership Panel, University of British Columbia/York University, October [commenter on CPCIL fellows' presentations].
- 2021.** Feminist Perspectives on COVID-19: Wildlife and Zoonosis, virtual presentation [Roundtable with S. Jonsson and H. Agu]. UK Global Challenges Research Fund (GCRF) seminar series on Blind Spots in Research on COVID-19 and Wildlife, virtual roundtable, May.
- 2021.** The Rhino Horn Trade and Radical Inequality as Environmental Conflict. Presented at the Center for Science, Technology, and Values, University of Notre Dame; Science Policy Series on the Illegal Wildlife Trade, virtual presentation, April.
- 2021.** Health, Culture, and Nation Making in National Protected Areas [with J. Stinson], Metropolitan State University (Denver), Department of Earth and Atmospheric Sciences Colloquium, virtual presentation, April.
- 2021.** Biocultural Nation Making: Biopolitics, Cultural-Territorial Belonging, and Canadian National Protected Areas [with J. Stinson]. **Keynote speaker** at Western Division Canadian Geographers, virtual presentation, March.
- 2020.** Borders in Research [with Lisa Meierotto and Emily Wakild]. Presented at the School of Public Service, Boise State University.
- 2019.** Environmentally-Induced Displacement. Presented at the International Development Research Centre (IDRC), Ottawa, Canada, October. Joint presentation with Pablo Bose.

2019. Environmentally-Induced Displacement. Presented at the United Nations High Commission for Refugees (UNHCR)-Canada, Ottawa, Canada, October. Joint presentation with Pablo Bose.

2019. Social Natures in the Anthro/Capitalo-Scene [roundtable with S. Gururani, P. Vandergeest, and A. Zalik.]. Presented at the Graduate Sociology Workshop, York University, Toronto, March.

2019. Conservation Induced Displacement: Past, Present, and Future Trends. Presented at Middlebury College, Middlebury, VT, February.

2017. The Political Ecology of Environmental Conflict: Radical Inequality and Commercial Poaching [with Nícia Givá]. Presented at the BIOSEC workshop: Conservation in conflict and militarised areas. The University of Sheffield, Sheffield, UK, November.

2017. Conservation, Security, Displacement [with Francis Massé]. Centre for Refugee Studies Seminar Series, Centre for Refugee Studies, York University, York University, Toronto, February.

2016. Capitalism, Wealth, & Conservation in the Age of Security: The Vitalization of the State. ICGC Distinguished Lecture Series, Interdisciplinary Center for the Study of Global Change, University of Minnesota, Minneapolis, November.

2016. Capitalism, Wealth, & Conservation in the Age of Security: The Vitalization of the State. Environmental Communication Program, Swedish Agricultural University, Uppsala, November.

2016. Capitalism, Wealth, & Conservation in the Age of Security: The Vitalization of the State. Global Development Lecture Series, Global Development Institute, University of Manchester, November.

2016. Capitalism and conservation in the age of security: The vitalization of the state. **Keynote speaker** at the POLLEN biannual conference, which focused on Conference on Political Ecologies of Conflict, Capitalism and Contestation Wageningen, The Netherlands, July.

2016. Green militarization: Military buildup in the name of conservation. Old Maps, New Terrain: Rethinking population in an era of climate change, Hampshire College, Amherst, MA, May.

2016. Green Militarization: Militarized anti-poaching in South Africa. Studies in National and International Development (SNID) Lecture Series, Queen's University, Kingston, March.

2016. When conservation meets militarization: Militarized anti-poaching in South Africa. Department of Geography Lecture Series, University of Toronto, Toronto, January.

2016. A political ecology of international borders: The edge spaces of green violence. Department of Geography Lecture Series, York University, Toronto, January.

2013. Rhino poaching in and through the GLTFCA: A socio-ecological investigation. Presented at the Workshop on The Great Limpopo Transfrontier Conservation Area (GLTFCA) a Decade after Inception: Taking Stock of Current Socio-Ecological Research, Southern African Wildlife College, July.

2012. The complexities and contradictions of international borders. Presented at the GESS@Y Research Open House, Department of Geography, York University, October.

2012. Bringing down borders, provoking displacement in the Great Limpopo Transfrontier Park. Presented at the Workshop on *Environmental Displacement in a Global Context*, York University, Toronto, May.

2012. Environmental displacement. Refugee Research Network Annual Meeting, Centre for Refugee Studies, York University, Toronto, May.

2012. Rhino poaching, border patrol, and the dual militarization of South Africa's Kruger National Park. Critical Border Studies Speaker Series, York Centre for International and Security Studies, York University, Toronto, March.

2011. *Long Way Down* and the politics of aid: Rethinking "Africa." The York Circle Prestigious Performances Series, York University, Toronto, November.

2011. Leaky borders or conservation fortress? Border crossing through an African transnational park. Department of Geography Travelogue Series. Department of Geography, York University, Toronto, November.

2009. China and the new scramble for Africa? York Debating Society, York University, Toronto, April.

2008. Terror, deterritorialization, and the unmaking of state power: Producing landscapes of violence in the Mozambican 'Civil' War. YCISS Seminar Series, York Centre for International and Security Studies, York University, Toronto, March.

2008. Theorizing violence and violent interventions. Roundtable Discussion with M. Blincow, E. Dauphinee, and R. Mongia. Fifteenth Annual York Centre for International and Security Studies Conference: Violent Interventions, York University, Toronto, February.

2007. State making, state unmaking, and landscapes of violence: Examining the deterritorialization of Mozambique's 'Civil War.' The Interdisciplinary Center for the Study of Global Change, University of Minnesota, Minneapolis, October.

2007. Communities, conservation, and intellectual autobiography. The Interdisciplinary Center for the Study of Global Change, University of Minnesota, Minneapolis, October.

2007. Security and state sovereignty in a transboundary space: Mozambique and the Great Limpopo Transfrontier Park. Department of Geography, York University, Toronto, October.

2006. State rationality, development, and the making of sovereign territory: From colonial extraction to postcolonial conservation in Mozambique's Massingir District. Presented at the Workshop on *Colonialism, postcolonialism, and environment*, German Historical Institute, Washington, D.C., May.

2005. Mozambican national development policy and the reorganization of territory. Presented at the Public Affairs Office, United States Embassy, Maputo, March.

Invited Lightning/Short Talks and Poster Presentations

2023. Indigenous-Led Ecological Restoration. Society for Environmental Journalists (SEJ), Boise State University, Boise, April. [poster presentation]

2023. Indigenous-Led Ecological Restoration. Continental Bison Working Group, Denver, January. [poster presentation]

2022. The Earth. School of the Environment Key Word in Common Series, School of the Environment, Boise State University, December. [lightening talk]

2022. Indigenous-Led Ecological Restoration. Boise State University Committee of Tribal Initiatives, Boise State University, December. [lightening talk]

Conference Presentations:

2025. Geographical Approaches to Ecological Restoration [roundtable discussion.] Annual meeting of the American Association of Geographers, Detroit, March. [roundtable organized by E. Lunstrum, E. Ligtermoet and L. Johnson]

2025. New Trends in Tribal-Park Relations: Blackfoot Buffalo Restoration and Glacier National Park [with M. Stevens, H Augare Carlson, and K. Paul. Annual meeting of the American Association of Geographers, Detroit, March.

2024. Restoring coexistence with buffalo: Lessons from the Blackfoot-led linnii Initiative [with M. Stevens and H. Augare Carlson]. Society for Ecological Restoration (SER) North American Conference 2024, Vancouver, October.

2024. New Trends in Tribal-Park Relations: Blackfoot Buffalo Restoration and Glacier National Park [with M. Stevens and H. Augare Carlson]. Society for Ecological Restoration (SER) North American Conference 2024, Vancouver, October.

2024. Gorongosa National Park: Exploring Land Dynamics. INSAKA Annual Symposium, Kasane, Botswana, May.

2024. Indigenous Led Ecological Restoration: Negotiating Colonial Structures [with M. Stevens, T. Deerfoot, P. Fox, and H. Bastien]. Blackfoot International Research Conference, Browning MT, June.

2024. Indigenous-Led Restoration: New Directions in National Parks and Conservation. Annual Conference of the American Association of Geographies, Honolulu, April.

2023. A Political Ecology of Jurisdiction. Biannual Pollen (Political Ecology Network) Conference, Durban, South Africa, June.

2023. Researching Green Militarization [Roundtable]. Biannual Pollen (Political Ecology Network) Conference, Durban, South Africa, June.

2023. Labor and Conservation [Plenary - Roundtable]. Biannual Pollen (Political Ecology Network) Conference, Durban, South Africa, June.

2023. War, Conflict and Environment: An Interdisciplinary Conversation on New Directions [roundtable]. American Society for Environmental History (ASEH), Boston, March.

2023. Decolonizing Conservation [roundtable: I participated on the roundtable and organized the 2-session series]. Annual Conference of the American Association of Geographies, Denver, April.

2023. A Political Ecology of Jurisdiction [with Elizabeth Havice]., Denver, April.

2022. Environmental Displacement in the Anthropocene, with P. Bose at the Annual Conference of the American Association of Geographies, virtual presentation, February.

2021. Panel on Global Forced Migration. Roundtable presentation with S. Ibrahim, D. Lteif, B. Gokariksel, and P. Bose at the Annual Conference of the American Association of Geographies, virtual presentation, April.

2020. AAG Participatory Forum on New Requirements for Ethical Geographic Science in Rapid Research, as part of the AAG Participatory Forum on Ethics and Human Rights, virtual presentation, October [moderator and presenter].

2020. Bionationalism; Nation Making and Canadian National Parks. Presented at the Annual Conference of the American Association of Geographies, virtual presentation, April.

2020. More than human geographies of COVID-19. Roundtable presentation with N. Ahuja, B. Braun, R. Collard, R. Wong, & S. Rutherford at the Annual Conference of the American Association of Geographies, virtual presentation, April.

2017. Addressing Environmental Conflict: Uncovering the Complex Drivers of Commercial Rhino Poaching [with Nícia Givá]. Presented at the International Symposium on Society and Resource Management, Umeå, Sweden, June.

2017. Green Militarization and the Militarization of Life. Presented at the Annual Conference of the Canadian Association of Geographers, Toronto, May.

2017. Bionationalism [with Jim Stinson]. Presented at the Annual Conference of the Canadian Association of Geographers, Toronto, May.

2017. Roundtable discussion on Critical Geographies of Conservation with Shannon Hagerman, Sharlene Mollett, Robin Roth, & Stephanie Rutherford. Annual Conference of the Canadian Association of Geographers, Toronto, May.

2017. Green Militarization and the Militarization of Life. Presented at the Annual Conference of the Association of American Geographers, Boston, April.

2016. The shrinking space between biodiversity and justice: Conservation displacement as a security strategy [with Megan Ybarra]. Presented at the Annual Conference of the Association of American Geographers, San Francisco, April.

2015. Environment and forced migration. Presented at the Refugee Research Network Finale: Innovations in Forced Migration, York's Centre for Refugee Studies, June.

2015. Feed them to the lions: Conservation violence goes online. Presented at the Workshop on Nature 2.0: Social Media, Online Activism and the cyberpolitics of Environmental Conservation, Aosta Valley, Italy, May.

2015. A political ecology of international borders: The edge spaces of green violence. Presented at the Annual Conference of the Association of American Geographers, Chicago, April. (The paper was also presented at the Conference of the Association of Borderlands Studies, Portland, April).

2015. Remote control: Conservation surveillance and technologies of power. Panel discussion organized by R. Schroeder and J. Isaac, Annual Conference of the Association of American Geographers, Chicago, April.

2014. Accumulation by securitization: Neoliberal conservation and the creation of new wildlife frontiers [with Francis Massé]. Presented at the Conference on Green Economy in the South - Negotiating Environmental Governance, Prosperity and Development, University of Dodoma, Tanzania, July 2014 [also presented at the Annual Conference of the Association of American Geographers, Tampa, April.]

2013. Internationalizing the classroom: Two models of on-line intercultural learning [with Robin Roth]. Presented at the Conference on *Teaching in Focus*, York University, Toronto, May.

2013. The Greater Lebombo Conservancy: A dual green grab [with Francis Massé]. Presented at the Conference on Grabbing 'Green': Questioning The Green Economy. University of Toronto, May.

2012. Rhino poaching and the dual militarization of South Africa's Kruger National Park. Presented at the Conference on Critical Geography, University of North Carolina-Chapel Hill, November.

2011. Transfrontier conservation, border reorganization and multiple displacements along the Kruger-Limpopo Border. Presented at the Conference on Fences, walls and borders: state of insecurity?, Université du Québec à Montréal, May.

2011. Open border, closed border, secure border? Contradictions of cross-border mobility in the Great Limpopo Transfrontier Park. Presented at the Canadian Association of African Studies Annual Conference, York University, Toronto, May.

2011. Bringing down borders, provoking displacement in the Great Limpopo Transfrontier Park. Presented at the Annual Conference of the Association of American Geographers, Seattle, April.

2010. Transnational conservation as the death of the state? The consolidation of state sovereignty through 'sovereignty-threatening' relationships. Presented at the Annual Conference of the Association of American Geographers, Washington, D.C., April.

2009. Regional integration and transfrontier conservation: Reorganizing the Kruger-Limpopo border. Presented at the Annual Conference of the Canadian Association of Geographers, Ottawa, May.

2009. Contestations of neoliberal development: Transfrontier conservation, regional integration, and rural livelihoods in Mozambique's Limpopo National Park. Presented at the Annual Conference of the Association of American Geographers, Las Vegas, March.

2009. In the heart of the beast: Teaching world regions, critiquing empire. Panel discussion organized by E. Lunstrum, K. Sziarto, and A. Watson, Annual Conference of the Association of American Geographers, Las Vegas, March.

2008. Uncovering pasts that haunt the present: The Limpopo National Park, migration, and multiple dislocations. Presented at the conference on In search of solutions: Methods, movements and undocumented migrants in Africa, Forced Migration Studies Programme, University of Witwatersrand, Johannesburg, July.

2008. "Civil" war and the deterritorialization of Mozambique: State making, state unmaking, and landscapes of violence. Presented at the Annual Conference of the Association of American Geographers, Boston, April.

- 2007.** State making, state unmaking, and landscapes of borderland violence: Apartheid South Africa's war of destabilization in rural Mozambique. Presented at the Annual Conference of the Association of American Geographers, San Francisco, April.
- 2006.** Community, territory, and state-making in Mozambique's Massingir District: Reconstructing territorial change through archives and oral histories. Presented at the Social Science History Association, Minneapolis, November.
- 2006.** Investing in development: Mozambique's 1997 Land Law and the Limpopo National Park. Presented at the Annual Conference of the Association of American Geographers, Chicago, March.
- 2006.** The making and unmaking of Mozambique's sovereign territory: Linking communal villages, civil war, and transnational conservation. Presented at the West Lakes Division of the Association of American Geographers Conference, Iowa City, November.
- 2003.** The roles of discourse in actor networks. Presented at the Association of American Geographers Annual Conference, New Orleans, March.
- 2002.** Material and discursive struggles over land and landscape in Zimbabwe's Nyanga National Park. Presented at the West Lakes Division of the Association of American Geographers Conference, Minneapolis, October.
- 2001.** The nature of the nation: The natural environment, national belonging, and nation building. Presented at the Gender in an International Context Consortium, University of Minnesota, Minneapolis, March.
- 2001.** Constructing difference in the service of colonialism: Race, gender, and the scientific mapping of bodies. Presented at the National Women's Studies Association Conference, Minneapolis, June.
- 2000.** Liberatory education in the feminist classroom (joint presentation). Presented at the Pedagogy and Theatre of the Oppressed Conference, St. Paul, June.
- 2000.** Gender, the environment, and taking place seriously. Presented at the National Women's Studies Association Conference, Boston, June.
- 1999.** Theories of power, grassroots organizing, and the Environmental Justice Movement. Presented at the Society for Practical and Professional Ethics, Washington D.C., February.

Author Meets Critic Panels:

- 2021.** Review of M. Goldman's *Narrating Nature: Wildlife Conservation and Maasai Ways of Knowing*, Annual Meeting of the American Association of Geographers, virtual presentation, April.
- 2017.** Review of C. Corson's *Corridors of Power: The Politics of Environmental Aid to Madagascar*; B. Gardner's *Selling the Serengeti: The Cultural Politics of Safari Tourism*; and J. Igoe's *The Nature of Spectacle: On Images, Money, and Conserving Capitalism*. Annual Meeting of the Association of American Geographers, Boston, April.
- 2017.** Review of W. Moseley, B. McCusker, and M. Ramutsindela's *Land Reform in South Africa: The Uneven Transition*. Annual Meeting of the Association of American Geographers, Boston, April.

WORKSHOP ORGANIZATION

Militarized Landscapes: An Interdisciplinary Scholarly Workshop. Organized with Lisa Brady, Boise State University, Boise, October.	2023
Current Perspectives on Conservation in and beyond the Limpopo National Park. Organized with Rebecca Witter, Francis Massé, and Nícia Givá. Universidade Eduardo Mondlane, Maputo, Mozambique, July.	2016
The Great Limpopo Transfrontier Conservation Area A Decade After Inception. Organized with Clara Bocchino (University of Pretoria/AHEAD-GLTFCA Network Coordinator) and Teresa Connor (Fort Hare Institute of Social and Economic Research); Southern African Wildlife College, July.	2013
Environmental Displacement in a Global Context. Organized with Pablo Bose (University of Vermont) and Anna Zalik (York University); Centre for Refugee Studies, York University, Toronto, May.	2012

SPEAKER SERIES DEVELOPMENT AND ORGANIZATION

The Critical Border Studies Speaker Series (CBSSS), developed and organized with David Moffette, hosted by the York Centre for International and Security Studies and Centre for Refugee Studies, York University.	2011-2013
---	-----------

CONFERENCE PANEL ORGANIZATION

3-session series on Reimagining the Spaces of Conservation Past, Present, and Future, panel organized with R. Neumann, for the Annual Meeting of the American Association of Geographers, Detroit, March.	2025
Roundtable: Geographical Approaches to Ecological Restoration, panel organized with L. Johnson and E. Ligtermoet, for the Annual Meeting of the American Association of Geographers, Detroit, March.	2025
2-session series on Decolonizing Conservation, panel organization with M. Goldman and R. Roth, for the Annual Meeting of the American Association of Geographers, Detroit, March.	2023
Pollen 2020: Special Roundtable Panel - Political Ecologies of COVID-19, panel organized with Amber Huff, biannual meeting of the Political Ecology Network (Pollen), virtual plenary roundtable panel, September.	2020
More than Human Geographies of COVID-19, panel organized with Stephanie Rutherford, annual meeting of the American Association of Association of Geographers, virtual roundtable panel, April. [part of the AAG "Geographers Respond to COVID-19" Initiative]	2020
Militarization beyond the Battlefield, 2-part panel organized with Emily Gilbert, Annual meeting of the Canadian Association of Geographers, Toronto, May	2017

Political Ecologies of Environmental Control, Conflict, and Crisis , 3-part panel organized with Maano Ramutsindela and Bram Büscher, Annual meeting of the Association of American Geographers, San Francisco, April.	2016
The Re-scaling of Conservation: A Global Investigation into the Transformation of the National Park Model , panel organized with Robin Roth, Annual meeting of the Association of American Geographers, San Francisco, April.	2016
Environment and Forced Migration , Refugee Research Network Finale: Innovations in Forced Migration, York's Centre for Refugee Studies, Toronto, June.	2015
Green Violence , 3-part panel organized with Bram Büscher and Maano Ramutsindela, Annual meeting of the Association of American Geographers, Chicago, April.	2015
The Political Ecology of International Borders , Annual Meeting of the Borderlands Studies Association, Portland, April.	2015
Transfrontier Conservation . 2-part panel organized with Maano Ramutsindela, Annual meeting of the Association of American Geographers, Washington, D.C., April.	2010
In the heart of the beast: Teaching world regions, critiquing empire , panel organized with Kristin Sziarto and Annette Watson, Annual Conference of the Association of American Geographers, Las Vegas, March.	2009

MEDIA APPEARANCES/COVERAGE (SELECTIONS)

From near-extinction to repopulation, bringing bison back to the West . Interview with E. Lunstrum and M. Williamson, Boise State Public Radio: Idaho Matters (December 10, 2024).	2024
Webb, A. 2024. Bison Come Home: The Reintroduction of a Keystone Species Could Unite People and Landscapes. <i>Boise State Magazine</i> [cover story], Fall, 2024, with a shorter web-based version . [Media Coverage of the ILER project .]	2024
Restoring buffalo while healing the Blackfeet Nation: A new initiative aims to do both . Interview with E. Lunstrum , Boise State Public Radio: Idaho Matters (March 11, 2024).	2024

EDITORIAL WORK

Edited book entitled <i>Projections of Power: State Authority, Local Resistance, and Environmental Change within Militarized Landscapes</i> , Leiden University Press, edited with L. Brady	2025
Special issue of <i>Frontiers in Conservation</i> , edited with R. Roth and M. Goldman	2025
Special issue of <i>Environment and Planning E</i> on Militarized Landscapes , edited with L. Brady	2025
Special issue of <i>Area</i> on Environmental Displacement in a Global Context , edited with Pablo Bose and Anna Zalik.	2016
Special issue of <i>Refuge</i> (Vol. 29, No. 2) on Environmentally Induced Displacement and Forced Migration , edited with Pablo Bose.	2014

EXECUTIVE WORK ON MAJOR RESEARCH PROJECTS

Member of the executive board of BIOSEC: Biodiversity and Security, Understanding Environmental Crime, Illegal Wildlife Trade, University of Sheffield, Rosaleen Duffy (PI); project funded by the European Research Council (€1.8 million). 2016-2022

PROFESSIONAL SERVICE

Reviewer for the National Science Foundation's Human-Environment and Geographical Sciences (HEGS) Program (2021, 2022, 2023)

Reviewer for the National Geographic Society (research funding application) (2017, 2016)

Reviewer for the Netherlands Organisation for Scientific Research (research funding application) (2016)

Reviewer for Flanders Research Foundation (research funding application) (2015)

Reviewer for book manuscripts for Routledge (2021, 2022), W.W. Norton (2021), Edward Elgar Publishing (2020), Temple University Press (2015). (Published book reviews listed above under 'Other Publications.')

Reviewer for Oxford Bibliographies: Green Wars (2024); Oxford Research Encyclopedia of Criminology and Criminal Justice (2025)

Reviewer for the following peer-reviewed scholarly journals and working paper series:

ACME: An International E-Journal for Critical Geographies (2015)

Advances in Ecological Research (2022)

African Affairs (2021)

African Geographical Review (2009, 2016, 2017, 2021)

Annals of the American Association of Geographers (2015, 2016, 2018x2, 2020, 2021, 2024x2)

Antipode (2016, 2017, 2018, 2021)

Area (2014)

Biological Conservation (2021)

Bothalia, African Biodiversity & Conservation (2021)

Cahiers de Géographie de Québec (2015)

Conservation & Society (2012, 2015, 2017, 2018, 2019, 2020)

RESEARCH HONORS AND AWARDS (POST-2007)

School of Public Service Research Proposal Development Grant	2024
School of Public Service Faculty Fellows Program	2020
Faculty of Liberal Arts and Professional Studies Research Release (one semester-long course release)	2015
Faculty of Liberal Arts and Professional Studies Merit Award	2010

TEACHING AND PEDAGOGICAL CONTRIBUTIONS

UNDERGRADUATE

Courses Taught at Boise State University

*Envstd 420/440/MEM 597: Nature Conservation	Spring 2025
*Envstd 482, Envsci 482, Engr 497, MEM 597: Environmental Studies Summer Field School	Summer 2021, 2023, 2024, 2025
¹ Envstd 498/Global 498/Pols 497: Indigenous Peoples and the Environment (3 credits, 19 students)	Summer 2021, 2022
*Envstd 121: Introduction to the Environment (3 credits, 15-30 students)	2020-present
*Envstd 220/Global 220: Introduction to Global Environmental Change (3 credits, 15-25 students)	2020-present
*Envstd 498/Global 498: Seminar in Global Environmental Change (3 credits, 15-20 students)	2019, 2020
*Global 101: Introduction to Global Studies (3 credits, 23 students)	2019

Courses Taught at York University

Geography 1000: Introduction to World Geography (6 credits, team-taught, 150/500 students)	2018-19, 2015-17, 2011-13, 2007-10,
Geography 2030: The End of the World as We Know It: Introduction to Global Environmental Change (3 credits, 150 students)	2018-19, 2015-17
*Geography 3590: Environment and Conservation in the Greater Toronto Area (field-based course, 3 credits, 30 students)	2019
*Geography 3600: Nations and Nationalisms (3 credits, 50 students)	2013, 2008-10
*Geography 4880: Spaces of Violence, Conflict, and Power (3 credits, 25 students)	2007-09

Independent Study Courses Directed at York University

*Nations, Nationalisms, and Conflict	2008
--------------------------------------	------

GRADUATE

Courses Taught at Boise State University

*Pubadm 597/Pols 531/HES 597: Indigenous Peoples and Environmental Governance (3 credits, 8 students)	Spring 2022
*Geos 598: Independent Study in Geosciences (1 credit, 1 student)	Spring 2021

Courses Taught at York University

¹ indicates a course I designed, codesigned, or fully redesigned.

*Geography 5355: Graduate Seminar in Political Geography: Spaces of Power and the Politics of Space (3 credits, 14 students)	2015-16, 2011-12, 2008-09
*Environmental Studies 6275/Geography 5395/Political Science 6282: Violent Political Ecologies: Resources, Dispossession, & Transformations (co-taught with Nancy Peluso & Peter Vandergeest as part of International Political Economy & Ecology (IPEE) Program) (3 credits, 15 students)	2017

Masters Theses Supervisions

Shoukia van Beek. Beyond the Border: Buffalo and Blackfoot Tenure on Traditional Territories	Defended Fall 2019
Colin O'Neil. 'Wild North': Constructed wilderness, Indigenous co-management, and ways of knowing in Kluane National Park	Defended Spring 2017
Francis Massé. Wildlife, cattle, and people in the Limpopo National Park: A more-than-human political ecology of conservation-induced displacement and resettlement (co-supervisor with Dr. Robin Roth)	Defended fall 2013
Alexander Todd. Responding to water insecurity in Durban, South Africa	Defended winter 2013
Yasmine Mohammed. Making the links between environmental justice and immigration: Intersections between housing, health, and neoliberalism in Toronto's South Riverdale	Defended fall 2012
Adrienne Johnson. Becoming a boundary organization: Sawit Watch and the governance of smallholder palm oil producers (co-supervisor with Robin Roth)	Defended summer 2010
Nel Coloma Moya. Remaking the subject of poverty (co-supervisor with Philip Kelly)	Defended fall 2009

Masters Theses Committees

Renee McWhirter. Livelihood Impacts of Hunting Conservation in Vietnam (committee member)	Defended Summer 2017
Kyle Wagner. Camera-Trap Ecotourism: Capturing New Governance Mechanisms in Protected Areas of Lao PDR (committee member)	Defended Summer 2017
Eduardo Padilla. The North American Basque Diaspora's approaches to Basque nationalist violence (committee member)	Defended Winter 2014
James Murayama. Contested representations: Framing the Israeli-Palestinian conflict at York University (committee member)	Defended Summer 2012
Courtney Nickerson. Connections, practices, and the particular: A multispecies ethnography of the southwestern shore of Nova Scotia (outside committee member, Department of Anthropology)	Defended fall 2011
Justine Townsend. On Haida terms: Self-determination and land use planning in Haida Gwaii, British Columbia (Dean's Representative)	Defended fall 2008

Doctoral Theses Supervisions

Lawland Kubi. Project TBD.	Will defend 2027
Helina Alvarez. Exploring the effects of Settler Colonialism and Climate on the Fort Hall Bottoms	Will defend 2026
Devin Holterman. Unlikely Allies: The Intersections of Conservation and Extraction in Tanzania	Defended spring 2020
Francis Massé. Commercial poaching and the securitization of conservation practice in Mozambique: Implications for conservation, territory, and communities	Defended winter 2017
Sara Jackson. Building a gold rush: Imagining new territory in Mongolia's South Gobi	Defended Winter 2015

Doctoral Theses Committees

Jeff Morgan. Project TBD.	Will defend 2027
Melanie Fillmore. Collaborative Governance on Idaho's Missing and Murdered Indigenous Persons Policy (committee member)	Defended 2024
Yolanda Weima. Enduring displacement, enduring violence: Burundian refugees' experiences of camps, closures, and return after return (committee member)	Defended fall 2022
Carley McKay. From caring to killing: Understandings, practices, relations of humane beef production (committee member)	Defended fall 2021
Colin Sutherland. Wildfire, expertise and the politics of pyrogeography in Canada's National Parks (committee member)	Defended 2020
Chance Finnegan. Protected Areas, Indigenous Peoples and Reconciliation in the United States of America (outside member, Faculty of Environmental Studies, York University)	Defended Fall 2019
Warren Bernauer, Extractive Hegemony in the Arctic: Energy Resources and Political Conflicts in Nunavut, 1970-2017 (chair and Dean's Representative).	Defended fall 2018
Laura Schoenberger. Re-thinking and re-framing land concessions in Cambodia (committee member)	Defended winter 2017
Vanessa Oliveira. The <i>Donas</i> of Luanda, c. 1773-1867: From Atlantic Slave Trading to 'Legitimate Commerce' (outside committee member, Department of History)	Defended Winter 2016
Hülya Arik. Secular bodyscapes: Corporeal and emotional intersections of security and secularism in the Turkish Military (chair)	Defended fall 2015

Ei Phyu Han. Displacement: Power, gender and transnational acts of Karen refugees from Burma (committee member)	Defended summer 2015
Chris Hendershot. Corpses, guns, penises, and private military and security corporations (outside member, Department of Political Science)	Defended summer 2015
Vanessa Lamb. Navigating the Salween: Knowledge, territory, and the political life of the river (committee member)	Defended winter 2014
Julie Young. Border city of refuge: Refugee advocacy, the politics of mobility, and the reframing of the Windsor-Detroit border (chair and Dean's Representative)	Defended fall 2014
Judith McCallum. The Murle and their neighbours: Discourse and identity in post-colonial South Sudan (Dean's Representative)	Defended winter 2013
Nga Dao. Displacement, resettlement, and agrarian change in the northern uplands of Vietnam (committee member)	Defended summer 2012
Ritu Mathur. The International Committee of the Red Cross and humanitarian practices of arms control and disarmament (outside committee member, Department of Political Science)	Defended fall 2011
Anne-Marie Debbané. Producing uneven waterscapes: A political ecology of water and agrarian change in the Ceres Valley, South Africa (Dean's Representative)	Defended fall 2010
